

As the Kathina season approaches, we've been considering how to organise the event this year. Though it would be great to celebrate together as we have done in the past, COVID 19 safety regulations have resulted in limiting capacity to 25 people in the tent per day. As previously scheduled, the Kathina robe cloth will be offered by the sponsors and a limited group of supporters on October 4th, 2020.

The Sangha will gladly meet everyone else, limited to 25 people per day, starting October 5th till the end of the month.

All others are welcome to choose a day of the month when Luang Por & Sangha members will be delighted to meet with you.
